ANSWERED ON:27.02.2003
UTILISATION OF STEEL PIPES IN OIL AND GAS PROJECT
P.D. ELANGOVAN

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether the Government have any plans to utilise the indigenously produced steel pipes for the oil and gas projects; and

(b) If so, the details thereof and the expected demand projected for the next few years?

Answer

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM & NATURAL GAS(SHRI SANTOSH KUMAR GANGWAR)

(a) & (b): The oil Public Sector Undertakings have been using indigenously produced steel pipes and casing for their projects in the oil and gas sector conforming quality specifications and competitive prices. The future demand depends on projects taken up and on commercial considerations.
